3RD SUNDAY OF LENT

Did you ever feel like saying or hear someone say, “There must be something more to life.” Whenever we feel like saying or hear someone say, “There must be something more to life” it shows we need more of Jesus in our lives. Having Jesus in the center of our lives makes our whole life better. Every day is better with Jesus in the center. When we have Jesus where he belongs our whole life just falls into place.

A father wanted to read a magazine but was being bothered by his little girl. She wanted to know what the United States looked like. Finally, he tore a sheet out of his new magazine on which was printed the map of the country. Tearing it into small pieces, he gave it to her and said, “Go into the other room and see if you can put this together. This will show you our whole country today.” After a few minutes she returned and handed him the map, correctly fitted and taped together. The father was surprised and asked how she had finished so quickly. “Oh,” she said, “on the other side of the paper is a picture of Jesus. When I got all of Jesus back where He belonged, then our country just came together.”

(Unfortunately I do not know the source of this story which I have edited.)

Yes, when we allow Jesus where he belongs our whole life just falls into place. This season of Lent is a gift from Jesus to get Jesus back where he belongs in our lives and to allow everything in our lives fall into place as it should.
